NEW TRANSIENT DOCK FACILITY DEBUTS IN CLAYTON ADJACENT TO 1000 ISLANDS HARBOR HOTEL

CLAYTON, N.Y. – Aug. 17, 2015 – A boon for boaters who traverse the St. Lawrence River in the 1000 Islands region, the Town of Clayton has just completed a 49-slip Transient Dock Facility (TDF) which is located adjacent to the **1000 Islands Harbor Hotel**. Three of the slips will accommodate 60 to 80-foot craft while the remaining slips can accommodate boats that are 30 to 60 feet in length. The slips are available through the remainder of the 2015 boating season on a first-come basis at no charge for up to 15 days per vessel.

"We are very excited to have this project become available to the boating public," said Justin A. Taylor, Town of Clayton supervisor. "The demand for slips during the summer months has often exceeded supply." The slips are staffed and operated by the Town of Clayton.

"The presence of the boats that will dock at the slips just outside our doors will surely enhance the experience of guests staying at our hotel," noted Todd Buchko, general manager, 1000 Islands Harbor Hotel. "In addition, we will welcome boaters for refreshments, a meal or an overnight stay.
